6 Ideas for extra income

1

Rent your garage space.

Park your car on the street and get monthly income renting your space.

2

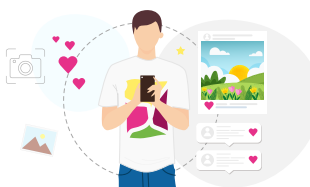

Rent your car.

There are applications that allow you to rent it for hours and/or days while you do not use it.

3

Carsharing.

Rent the seats in your car for long and/or regular trips.

4

Create content on the internet.

If you like to write, read, take pictures..., you can create content on the internet and monetize it.

5

Sell what you don't use.

Provide a second life to things you no longer use by selling them through apps.

6

Look for an hourly job.

You can do some extra work that adjusts to your regular job. Caring for pets, being a brand ambassador...

Implement these options while complying with current regulations and laws and through secure applications.
